Mr. Robert Diorio  
Boston Welding and Design Inc.  
7 Micro Dr.  
Woburn, MA 01801

Dear Mr. Diorio,

Boston Public Schools would like to recognize a great job by Boston Welding and Design Inc. during the refurbish and addition work at the Clarence Edwards School in Charlestown, MA. Your work on the stair railing was exemplary, showing great attention to quality and detail.

I would not hesitate to recommend your company to all and hope to use Boston Welding and Design Inc. on future projects.

Sincerely,

Robert Harrington
